TEACHER storia RECOMMENDED

99% OF TEACHERS RECOMMEND Storia to encourage children to read more.

2012 study conducted among 230 kindergarten-5th grade classroom teachers at eight locations nationwide by Harrison Group.

Today's Best eBooks!

Favorite characters, beloved authors, Caldecott and Newbery award-winners, and that new series everyone at school is talking about—from fiction to nonfiction, the Storia list is growing all the time.

THE STORIA EXPERIENCE

Read-to-Me Audio

Build reading confidence with fully produced, real-voice narration with music, sound effects, and highlighted text young readers can follow.

Learning Activities

Heighten the reading experience with an array of puzzles, quizzes and word games that help build comprehension and retention.

Look Up Storia Dictionary

Learn the bigger words with instant, age-appropriate definitions of text, image, and optional narration—without interrupting the story.

Reference Tools

Practice active reading skills with a built-in highlighter that marks text and passages to revisit later, just like in a paper book.
