

# The Prep Step

Music and Lyrics by Save the Children

## Chorus

**Do the Prep Step  
Do-oooh the Prep Step  
Do the Prep Step  
Get Ready!  
Get Safe!**

## **Verse 1**

In case of emergency  
I know who to call  
My ICE contacts, near and far  
We can try them all

## Chorus

## **Verse 3**

In case of emergency  
Supplies should last a while  
I'll have my own go-bag  
With things that make me smile

## Chorus

## **Verse 2**

In case of emergency  
I know what to do  
My family will have a plan  
And practice it, too

## Chorus

## **Verse 4**

Ahhhhh!  
Bring it down low  
Now put it up high  
Do your own steps  
Now reach for the sky!

## **Interlude**

Now stop!  
Stay calm!  
And do the Prep Step

## Chorus x 2
