Booktalk!

Is there something you just love to do? Swim? Cook? Read? Lily Brown loves to paint. When she picks up a brush, images flow onto the page, images that delight and surprise: Trees wear hats and drink tea, people walk upside down, and apples sing all the way home from the store. And sometimes stars come down to earth and dance.

Is there something you just love to do? Think about it. Then spend some time with Lily. She'll inspire you to do the special things you were born to do, the things that make you you.
