Tony Baloney: Buddy Trouble

Booktalk!

I'm Tony Baloney, and I have a big, bossy sister. We want to go to Books and Buddies tonight at our school, and my buddy Dandelion wants to be there to hear Mrs. Gamboney read our favorite book.

But Momma Baloney says we can only go if we pick up all our toys and behave. Well, behaving is not easy for me, and cleaning up toys is not as easy as it sounds, especially when I have to put away a tube of glitter ...

Uh-oh, it looks like Tony has found trouble again! Is there any way to make things right so they can attend the best school event ever?

Best for ages 6–8
