A DOG'S PURPOSE

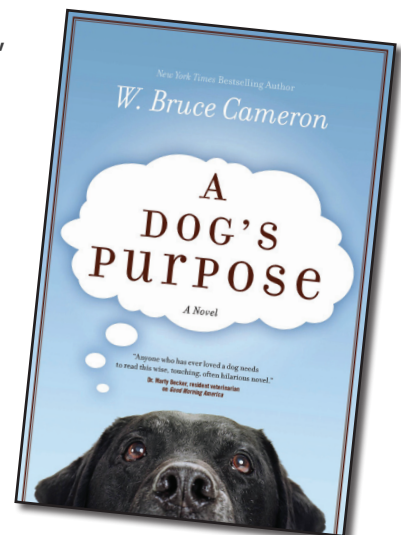

Written by W. Bruce Cameron

Booktalk!

Do dogs have a purpose? Toby thinks so, but life keeps handing him one surprise after another.

Through various jobs and situations, big and small, he learns invaluable skills that help him begin to understand the role he plays in the world of humans.

But there's more to life than even this smart pup realizes, and as his life takes many different turns – and forms – he learns that the biggest role of his life is one that's close to home.

Best for ages 12 & Up
