DARK LIFE

Written by Kat Falls

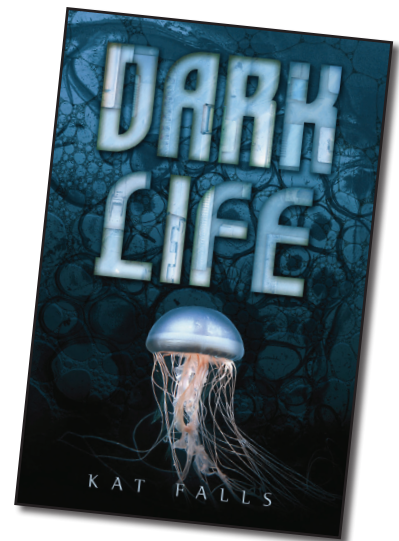

Booktalk!

Ty shimmers and emits a unique glow. He has a Dark Gift. He lives a sub-sea life on the ocean floor with his family in a special farming homestead.

Ty meets Gemma, a Topsider, and joins her in a search for her brother, who is a prospector in the sub-sea. Together, they discover a dark underworld of outlaws who threaten to destroy the life Ty and his family have built.

Riding on mantaboard, and coming face-to-face with killer whales, pods of dolphins, and terrifying outlaws, is the only way Ty can help Gemma uncover the truth about her brother.

Submerge yourself in one amazing scene after another. You'll be left breathless by the fantastic and unexpected conclusion!
