GIRLS ACTING CATTY

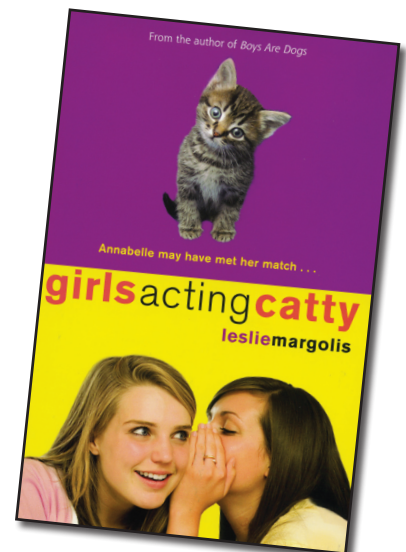

Written by Leslie Margolis

Booktalk!

Hating people is exhausting! What wasted energy! Annabelle and her friends find themselves confronting Tiffany and the Terrible T's – a hateful clique bent on annoying them. At least Annabelle has Pepper in her life, her adorable puppy. And when Jason, her soon-to-be older step-brother, comes to stay for a six-week visit, life gets really interesting.

Unfortunately, it seems Pepper loves Jason even more than Annabelle because Jason is teaching the puppy new tricks. Jason is cute and cool and drives a great car. Can Annabelle have a crush on him? Does Tiffany believe Annabelle is cool just because Jason is?

Annabelle's friends don't understand what's going on, but they do know they can't trust Tiffany and the Terrible T's.

Best for ages 10–14
