PET HEROES

Written by Nicole Corse

Booktalk!

Some pets are more than just great companions and friends. They might be good helpers or even heroes.

Jake is a Labrador Retriever with a great nose for disaster. He has been trained to find survivors from disasters like Hurricane Katrina and the September 11 attacks. What amazing courage!

Lulu is a pot-bellied pig that saved her owner's life. Lulu knows how to get attention, so when her owner has a heart attack, she lies down in traffic to get someone to follow her back home so her owner can get to a hospital.

The 12 stories in this book are amazing and inspiring. You might start looking at your pet in a whole new way!

Best for ages 4–8
