The Trouble With Chickens

Written by Doreen Cronin

Booktalk!

The name's Tully, J.J. Tully, and he's a search-and-rescue dog. Actually, he's retired to a doghouse in a barnyard full of chickens, and the chickens need help solving a mystery that involves missing chicks. J.J. has no interest or time, but Moosh, Dirt, and Sugar are tough to ignore. (Chickens make a lot of noise.)

J.J. agrees to use his skills in exchange for a hamburger. Following the scent left on a note for Moosh, J.J. is directed to the farmhouse where housedog Vince the Funnel lives. Are the missing chicks being held hostage inside? With J.J.'s reputation on the line, he must rescue those chicks!

Best for ages 7–10
