Ghost Buddy #1: Zero to Hero

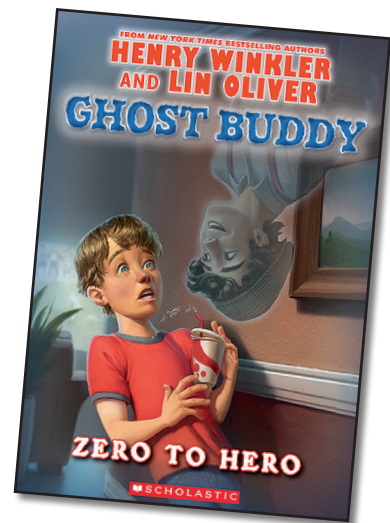

Written by Henry Winkler and Lin Oliver

Booktalk!

Billy has a new dad, new stepsister, new house, new room ... and a ghost! Yes, and the ghost's name is Hoover Porterhouse, but you can call him The Hoove.

Billy cannot believe his bad luck. His new neighbor is about to become his worst problem – he's a bully. The Hoove thinks he can help Billy make some adjustments to his new life; after all, he has been a ghost for 99 years. Billy isn't sure that's the kind of help he needs, but The Hoove is going to make Billy his personal project, and Billy has no choice but to allow him.

Could you stop a ghost if he set his mind to something?
