Revenge of the Cheerleaders

Written by Janette Rallison

Booktalk!

This story reminds me of “High School Musical” meets “American Idol”—how can you resist that? While *Revenge of the Cheerleaders* follows the characters from *All’s Fair in Love, War, and High School*, this totally fun story stands on its own. Chelsea, a cheerleader, and Adrian, who isn’t, are sisters who don’t really get along. Adrian’s boyfriend is in a band that has written a series of songs that bash cheerleaders. Chelsea and her friends are humiliated and hatch a really funny plan to undermine the band at the High School Idol competition. Will Chelsea and her friends have the last word? Revenge never tasted so sweet!
