

Door

Materials:

orange bulletin board paper (size depends on door)

double-sided tape

stiff brown paper

brown bulletin board paper

two pieces of cardboard

duct tape

Directions:

1. Cover door with orange bulletin board paper. Attach with double-sided tape.
2. Roll pieces of brown bulletin board paper so that they are cylinders. Attach above door and next to door with double-sided tape.
3. For roof, cover two pieces of cardboard with brown bulletin board paper. Attach with duct tape.
4. Attach the two pieces, so that they form roof shape. The roof can rest on fake trees.
