# Frog Prince

## Materials

20 in. x 20 in. corrugate

pencil or pen

scissors

utility knife

various shades of green construction paper

yellow construction paper

chalk (brown and gold)

hot glue gun and glue sticks or white glue

1. Draw frog pattern on corrugate using pen or pencil.
2. Cut out using utility knife.
3. Glue green construction paper on frog and cut off excess.
4. Use lighter shades of green paper to create accents for frog. Cut out the accents and glue on frog.
5. Cut crown from yellow foam or paper. Use chalk to create gold accents. Glue to frog's head.
6. Create a right angle easel out of cardboard to help the frog sit up.
7. Cut a lily pad out of green paper.
