Shields

Materials for One Shield

corrugate (brown boxes)

1 or 2 rolls of red, blue, and purple wrapping or construction paper

48 - 60 in. yellow bulletin board border trim (buy precut or design your own)

various colors of chalk

glue stick

tape

utility knife

pen or pencil

1. Trace shield pattern onto corrugate and cut out using utility knife.
2. Cover the shield with red paper and glue in place. Fold excess paper to back of shield and tape down.
3. Use glue stick to attach yellow border to shield.
4. Trace letters onto paper and cut them out. The letters are double-layered, with the bottom layer (yellow) slightly larger than top layer. Glue letters to shield.
5. Use chalk to draw other shapes.
