

Yo-ho-ho it's a barrel of fun
To be looking for treasure where there isn't any sun ...

Walk this way, tread strong, look alive!
The wisdom you seek is there if you strive ...

High-five your bucko, but watch out for the hook!
You're heading for storms if you don't stop and look ...

If you're here, so's the treasure! You're a winner, I'm bound!
You've just won the hunt, no more looking around!
