

Parents - Help make your child's classroom wishes come true!

While at our Book Fair, please review the Wish Lists submitted by classroom teachers. If you are able to fulfill one wish or more, please follow these three simple steps.

1. Locate the Classroom Wish List for your child's class. Write your name next to the book(s) you are buying.

2. Take the book(s) you are buying to the cashier and inform the cashier of your intention.

3. Ask the cashier for your free bookplate. Complete it and place it on the inside front cover of the book you are donating.

Thank you for supporting our Scholastic Book Fair!
