

Clifford Ears

What you'll need:

- Red construction paper
- Tape
- Scissors

What to do:

Using the ear shapes below as a template, cut ears out of red construction paper. Then cut out a headband approximately 1 1/2" wide from which the ears will hang. You will need to tape together a front and a back end-to-end for each head. You can measure and tape specifically for each guest, or beforehand, based on your child's head. Then have a set of ears ready for each child to tape onto their headband and wear to your Book Fair!
