TombQuest Book 1: Book of the Dead
by Michael Northrop

After going years without a cure for his mysterious illness, Alex feels like death could be around any corner. In fact, that’s literally true; he spends his summers hanging around mummies at the Metropolitan Museum of Art, where his mom works on all things Egyptian.

She even discovered the Lost Spells from the Egyptian Book of the Dead! One of these spells can supposedly bring people back to life, and after Alex’s health gets worse, his mom is willing to try anything. Unfortunately, Alex isn’t the only one coming back to life.
