## Owl Diaries: Eva and Baby Mo

by Rebecca Elliott

### Booktalk!

Eva didn't know that mom and dad used to be sky-dance champions — OWLMAZING! She was pretty worried that they were boring. After all, everyone should have a hobby they enjoy! If Eva and her friends babysit Mo, Mom and Dad can enter Friday's dance competition. How hard can one baby be? He will love their puppet show, songs, and bug candy. Baby Mo is an angel — or so they think. Baby Mo is throwing toys and going wild! Will Eva and her friends survive the night or have to call for help?
