

## Stolen Girl

by Marsha Forchuk Skrypuch

### Booktalk!

The war is over. I should feel safe in my new home — my new country — but those nasty boys at school call me a Nazi. Even my new friend Mychailo has his doubts. Could it be true? I am having terrible dreams. Why do I remember meeting Hitler at a rally? And why did he say that I am the perfect specimen of Aryan youth? Marusia, my new mother who saved me in the camps, says that she did not steal me. She says I am not a Nazi, but as the memories start to slowly come back I can't help but wonder, if I am a Nazi, how can anyone love me?

**Best for Grades 5-8**
