

Thank You, Mr. Panda

by Steve Antony

Booktalk!

Mr. Panda is feeling extremely generous today. He has purchased and wrapped gifts for every single one of his friends. But Little Mouse's gift — a sweater — is way too large. And Octopus doesn't understand why his gift is six pairs of socks when he has eight legs! Maybe everything will turn out okay if Mr. Panda and his friends can learn that when it comes to giving gifts, it's the thought that counts. Even if one of the gifts is a gigantic pair of polka dot underwear!
