

# HOW TO DRAW BORIS

by Andrew Joyner

**THIS IS BORIS.**  
BORIS LOOKS A BIT LIKE  
A STACK OF BOXES.  
SO LET'S START BY  
DRAWING SOME  
BOX SHAPES.

1. DRAW SOME  
SQUARES AND  
RECTANGLES  
FOR BORIS'S  
HEAD, BODY  
AND LEGS.

\*DRAW THE  
SHAPES LIGHTLY  
IN PENCIL.

2. ADD SOME  
TRIANGLES,  
CIRCLES AND A  
RECTANGLE  
FOR HIS  
EARS, EYES  
AND  
SNOUT.  
DRAW A  
LINE FOR  
HIS MOUTH.

3. NOW USE  
THESE SHAPES  
AS A GUIDE  
FOR YOUR  
BORIS  
DRAWING.

\*YOU DON'T  
NEED TO FOLLOW  
THE SHAPES  
EXACTLY.  
REMEMBER, THEY'RE  
JUST A GUIDE.

DON'T FORGET  
THOSE TUSKS!

4. ADD SOME LINES  
FOR HIS HAIR.  
DRAW THE HAIR  
GOING IN LOTS  
OF DIFFERENT  
DIRECTIONS.

BORIS'S SHIRT  
ALWAYS SEEMS  
TO BE UNTUCKED.

MOVE THESE  
DOTS TO CHANGE  
WHERE BORIS'S  
EYES ARE  
LOOKING.

5. NOW YOU'VE  
DRAWN BORIS!  
YOU CAN ADD SOME  
SHADING, AND  
MAYBE A BIT OF  
COLOR TOO.
