Dear Parent/Guardian,

In class we are learning about the 2010 Census and being good neighbors. Your child has learned that the census counts all the people who live in the United States and that the information collected is confidential. It is the responsibility of all U.S. residents to complete the census questionnaires by April 2010.

Help your child choose a toy animal to conduct this make-believe census. Have your child ask the questions below and write make-believe answers. You and your child can decide whether to make the answers silly or serious in this game. After the animal "answers" the questions, **ask your child to draw a picture of the toy animal** at the bottom of the page.

Toy Census Form

1. How many people live in your home?

— — — — —

2. Are you a boy or a girl?

— — — — —

3. How old are you?
