

Brushes

Hair brushes, tooth brushes,
Paint brushes, clothes brushes,
Scrub brushes, tub brushes,
Nobody knows brushes,
Nail brushes, shoe brushes,
Dish brushes, pot brushes
I'm sick of brushing
With goodness knows what brushes.
Quick, but another one!
Wonder what the rush is?
We need to buy a brush
To brush all the brushes!

Brooms

On stormy days
When the wind is high,
Tall trees are brooms
Sweeping the sky.

They swish their branches
In buckets of rain
And swash and sweep it
Blue again.
