

Dear Families,

We're off to a great year! One of the first activities in our class will be to think about our most important hopes and dreams for the school year. We invite you to join this activity by sharing your **hopes and dreams** for your child. Please take a few minutes to think about these questions:

1. What do you feel will be most important for your child in school this year?
2. In what ways would you like to see your child grow socially?
3. In what ways would you like to see your child grow academically?

Please take the time to fill in the sheet attached to this letter and return it to us by <Insert date here>. We ask that you write and illustrate your hopes and dreams for your child's kindergarten experience. You may use computer clipart, draw, collage, or use any other mean you feel comfortable with. **Be creative!**

We appreciate your time and effort. We will display your hopes and dreams along with your child's on one of our classroom bulletin boards.

Thank you for your support,
