

Before or After?

Instructions: Washing your hands is very important, but knowing **when** to wash them can best help minimize the spread of germs. Circle whether hands should be washed **BEFORE** or **AFTER** each of the activities. Color in the pictures when you're done!

Before or **After**
making food.

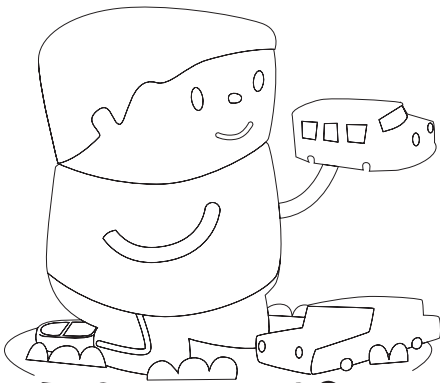

Before or **After**
playing with pets.

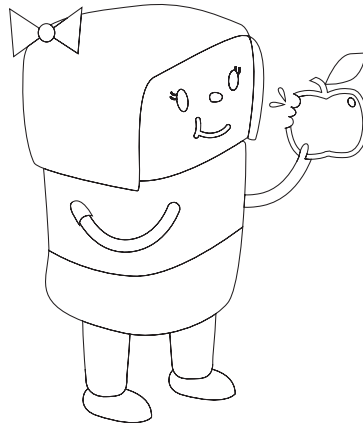

Before or **After**
sneezing.

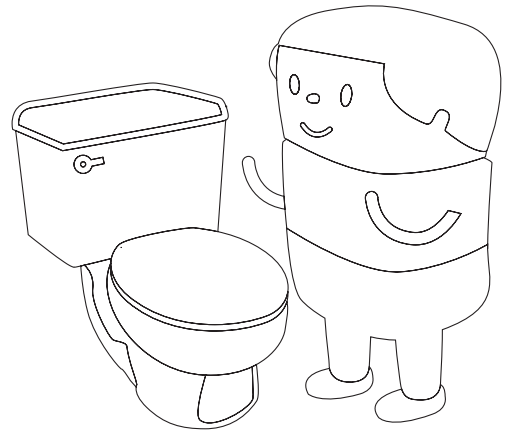

Wash your hands...

Before or **After**
playing.

Before or **After**
eating.

Before or **After**
using the bathroom.

Disinfect
To Protect.™
