

Sample Letter for Unit Plan An Apple a Day

Dear Parents,

During our nutrition study we will be learning about Italian painter Guiseppe Archimboldo. He was an artist famous for painting portraits of people that appeared to be made of fruits and vegetables. For one of our activities we will need a collection of vegetables, and we are hoping you can send some to class. After we are done drawing them for an art project, we will be using them to make some soup. Thank you in advance for your help.

Best,

Mr. Brunaccioni
