

Essay Introduction

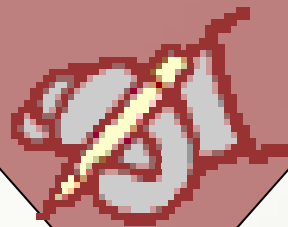

1. **Capture your reader's attention** through comedy, questioning, or other means.

2. **Thesis Statement**
(tells what your essay will mainly be about)

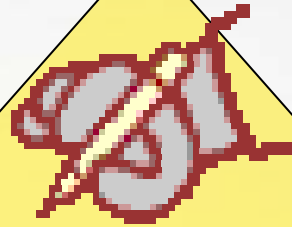

Essay Body

1. Provide **clear examples** of your **Thesis**. Elaborate using **supporting details**.
2. An easy way to keep your writing organized is to place **each example in a separate paragraph**.

Essay Conclusion

1. Brings **closure** to the reader.
2. Only needs **a few strong sentences that sum up your main points** (don't restate exactly). You can also briefly describe your feelings about the topic here.
