

FIRE SAFETY AT HOME

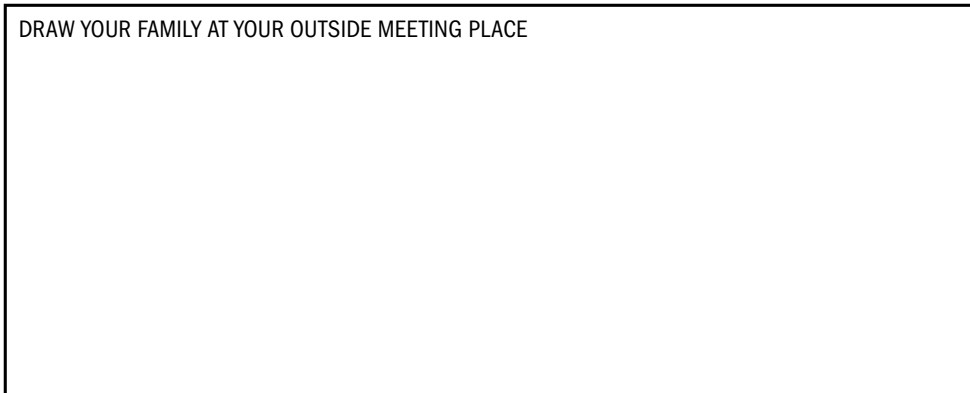

Parents: Help your child do a fire-safety scavenger hunt in your home.

1. How many smoke alarms are in your home? Write the number: _____
You should have smoke alarms on every level of your home, inside each bedroom, and outside each sleeping area.
2. Where is your Outside Meeting Place? Everyone in your family should know where to go in case of fire.
3. What are two ways out of your bedroom? Draw them below. You should know two ways out of every room in your home.
4. When was your last family fire drill? Draw a picture of your family at your Outside Meeting Place. Do a family fire drill twice a year. Make your fire drill count! Go to sparky.org/firedrill to register your drill.
