Traditional Native American Crafts

Record your answers here as you travel through the Web quest.

1. Beads

Explain two different ways beads have been used in Native American tribal cultures.

1.

2.

2. Winter Counts

What is a winter count? Describe it in your own words.

If you created a winter count for yourself, what one image would you choose to represent the past year? Why?

3. Cornhusk Dolls

Explain one traditional use for cornhusk dolls:

Why are cornhusk dolls usually made without a face?

4. Moccasins

Why was it important for tribes to make sturdy, protective shoes like moccasins?

Are all moccasins alike? Explain why or why not.

5. Baskets

How many of the four baskets were you able to identify?

What are differences and similarities between the different kinds of baskets?

6. What Native American craft would you most like to try making yourself?

What would that craft show about your own personal history?
