Snack Time

Solve the addition and subtraction problems to the right and use the answers to discover which is each student’s favorite. Then write each student’s favorite snack on the line.

1. **Olivia** My favorite snack has a 0, 1, and 3. The 3 is in the ones place. My favorite snack is: __________________________

2. **Matt** My favorite snack has a 7, 6, and 2. The 2 is in the hundreds place. My favorite snack is: __________________________

3. **Gretchen** My favorite snack has a 7, 6, and 6. The 7 is in the tens place. My favorite snack is: __________________________

4. **Jess** My favorite snack has a 1, 5, and 5. The 1 is in the ones place. My favorite snack is: __________________________

5. **Todd** My favorite snack has a 4, 3, and 8. The 8 is in the hundreds place. My favorite snack is: __________________________

6. **Mike** My favorite snack has a 4, 9, and 3. The 4 is in the tens place. My favorite snack is: __________________________

**MY “MORE IS BETTER” GOAL**

What's your favorite fruit or vegetable? Every day this week, try a fruit or veggie snack when you’re feeling hungry between meals. At the end of the week, add up how many different fruits or vegetables you ate during meals, at restaurants, and at snack time. Now strive for even more next week—see how easily fruits and vegetables can add up? Remember, all kinds of fruits and vegetables count!
