

BrainStorm

BrainStorm for _____

Directions:

1. In each circle below, write and/or draw one of your hobbies, interests, or strengths. Add more circles if you want!
2. In the middle of your Brain, draw a picture or paste a photo of yourself or your interests.

A large orange outline of a human brain is centered at the bottom. Three lines extend from the brain to three large orange circles: one to the top-left circle, one to the top-right circle, and one to the bottom-right circle. Each circle contains five horizontal lines for writing.
