

Photo Permission Form

Dear Parents,

This year, I will be teaching several lessons that use digital photography in the classroom as a unique way to build students' reading and writing skills. These lessons will reinforce the important role that visual imagery plays in the learning process.

I have also created a personal photo Web site to serve as a way for you to stay connected with our classroom during the school year. With your permission, I will be adding your child's photos to a secure, password-protected online Collection at Shutterfly.com.

The private Web address for my classroom Collection is:

http:// _____ .shutterfly.com.

The password for this Collection is: _____.

Please return the permission slip below by this date: _____.

Not only will you be able to view our classroom photos online in this secure Collection, you will also be able to add your own photos.

To get started, please add a picture of your family. We hope to have all family photos added to our classroom Collection by this date: _____.

Sincerely,
