

Name _____ Date _____

National Parks

So Much to Do, So Much to See!

There's something fun to see and do at every National Park. Look at the pictures for clues, then draw a line from each activity to the National Park where you'll find it.

Where could you...

...hike along a rocky shore?

...camp among giant cacti?

...canoe past a heron?

...explore geysers?

...bicycle down a mountain road?

Everglades National Park

Yellowstone National Park

Mt. Rainier National Park

Saguaro National Park

Acadia National Park
