

The 100th Day of School

(sung to "The Ants Go Marching One by One")

We've all been counting one by one,
Hurrah, hurrah!

We've all been counting, oh, what fun,
Hurrah, hurrah!

We've all been counting one by one,
And now 100 days are done!
Hooray!

Today's the 100th day of school!

We started counting up to 10,
Hurrah, hurrah!

To 20, 30, 40, then,
Hurrah, hurrah!

To 50, 60, 70, then
To 80, 90, and now is when—
Hooray!

Today's the 100th day of school!

We started with a number low,
Hurrah, hurrah!

And one by one, we made it grow,
Hurrah, hurrah!

We started with a number low,
And now it's grown to 1-0-0,
Hooray!

Today's the 100th day of school!
