DIGITAL  
RESOURCES  
TO SUPPORT  
COMMON CORE  
LEARNING

## Ready, set...

# Why Scholastic GO?

Administrators, teachers, and librarians are all feeling the pressure to make the leap to digital—and at the same time, implement the Common Core. **Integrating technology into a child's education is critical to preparing students for college and career readiness and ensuring their academic success.**

Award-winning *Scholastic GO!* is becoming the go-to digital resource for educators seeking to provide authentic content, improve literacy, and support the development of key Common Core skills. Whether accessed in the library, classroom, or home, our digital platforms help students:

- Build vocabulary and analytical skills
- Strive to comprehend increasing levels of text complexity
- Identify and articulate point of view
- Master analysis of evidence-based learning
- Build digital reading stamina
- Acquire content-area knowledge
- Closely read informational and authentic texts

Mobile and accessible  
anywhere by anyone

Use as part of  
classroom or small-  
group instruction

Perfect for  
whiteboards

Use outside the  
classroom without  
teacher mediation

Perfect for BYOD  
and flipped classrooms

# Start here ➤ Go anywhere

Videos to build background knowledge

More than 120,000 authentic leveled texts

1100 world newspapers offering multiple perspectives in 73 languages

Follow up with hands-on projects, lesson plans, and more

Daily news feeds

Five dictionaries and two thesauruses to build in-context vocabulary

More than 300,000 vetted and maintained websites

Topographical, historical, and current interactive maps

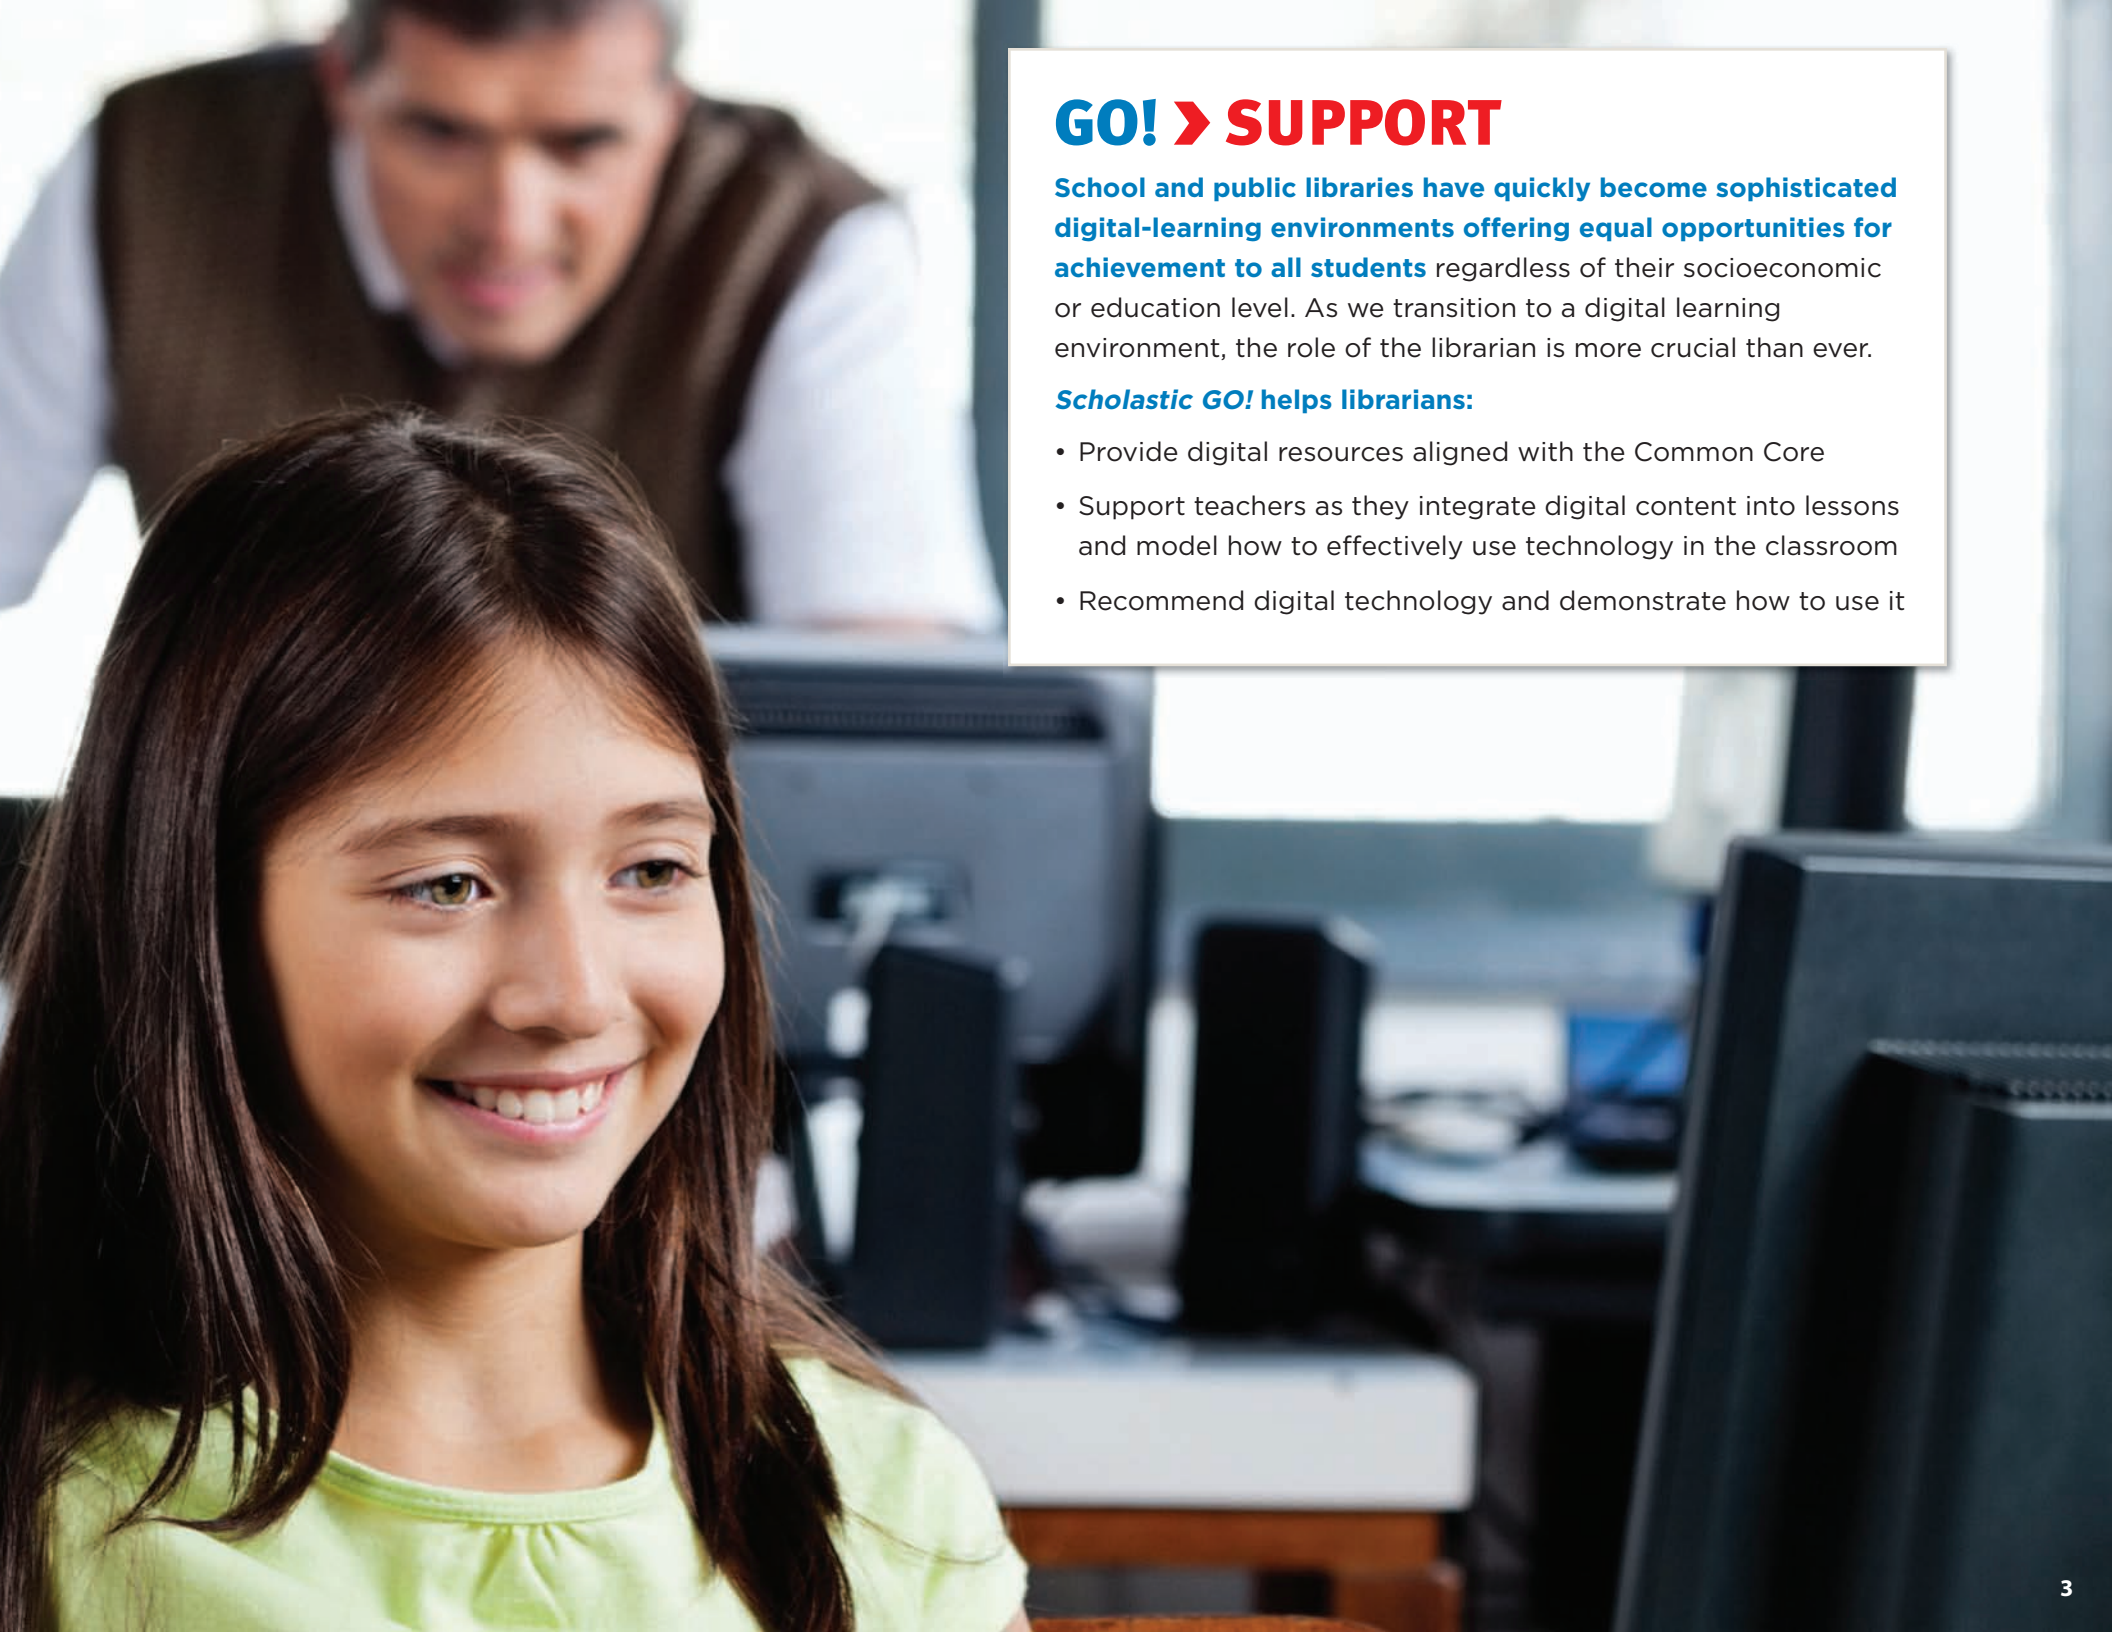

Instantly compare and contrast the demographics, cultures, or economies of two countries

Pro and con debates to offer varying points of view

**For librarians**

## GO! > SUPPORT

School and public libraries have quickly become sophisticated digital-learning environments offering equal opportunities for achievement to all students regardless of their socioeconomic or education level. As we transition to a digital learning environment, the role of the librarian is more crucial than ever.

### *Scholastic GO! helps librarians:*

- Provide digital resources aligned with the Common Core
- Support teachers as they integrate digital content into lessons and model how to effectively use technology in the classroom
- Recommend digital technology and demonstrate how to use it

## GO! > FLIP

Perfect for flipped classrooms, **Scholastic GO!** offers **thousands of opportunities for students to explore topics on their own**. Exploring a topic at home—whether reviewing an article, watching a video, or closely reading a primary source document—lets students come to class ready to engage in discussions and participate in thought-provoking activities facilitated by their teacher.

### At school, teachers can support learning with:

- Lesson plans
- Project ideas
- Quizzes and activities
- Weblinks for related content discussions
- Primary sources

## GO! > LEARN

For students to build their knowledge, they must have access to authentic, verified, and age-appropriate information. When it comes to content, no other digital resource provides more than *Scholastic GO!*

**Compelling content is blended with crucial online support tools to help students better comprehend and analyze the core-content areas, including:**

- Text features throughout articles to allow students to quickly find the information they're seeking
- Leveled articles to ensure that students are reading on-level and are able to comprehend the content
- Automatic word look-up to help build vocabulary in context
- Read aloud feature to support struggling readers and ELL students

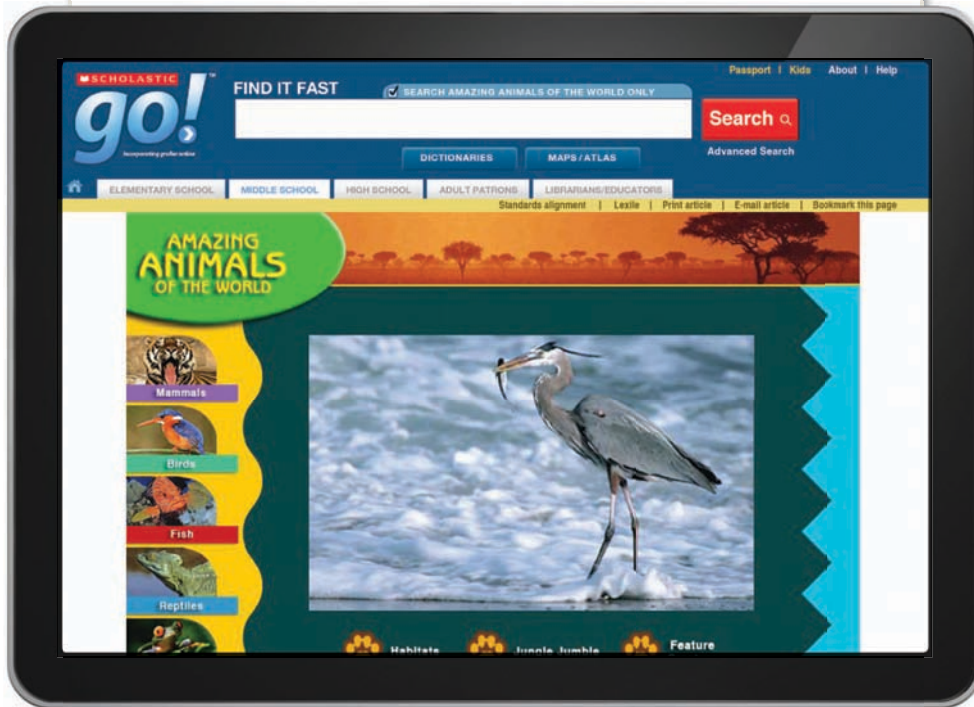

**For students**

# Customize your *Scholastic GO!* experience.

Choose from eight different databases to meet your individual needs:

## Amazing Animals of the World

### Grades K-6

1200 nonfiction animal texts

Reading range: 500-950 Lexile

19,000 authentic nonfiction Spanish texts  
(not translated from English)

Fact boxes, pictures, interactive maps, timelines

## Encyclopedia Americana

### Grades 9-Adult

45,100 nonfiction texts

Reading range: 1100 Lexile and higher

Biographies, maps, tables, illustrations

A photograph of a male teacher with a beard, wearing an orange short-sleeved button-down shirt, leaning over a desk to help a male student. The student is looking at a computer monitor. In the background, other students are seated at desks with computers. The scene is brightly lit, likely in a school library or computer lab.

“ In the ever-changing technology-driven world that we live in, student learning and student research demands deep, rich content that is regularly updated and provided in a manner that allows students opportunities to work at a variety of levels. *Scholastic GO!* does this with the ability to search multiple resources at one time with search results that include Lexile levels. *Scholastic GO!* is real-life learning that elevates the success our students’ experience. ”

— Sue Bartle, School Library System,  
Erie 2-Chautauqua Cattaraugus BOCES
