

Search. Return. Learn.

Scholastic GO! has been providing the most reliable articles and resources on core curriculum content for more than ten years. Students, teachers and librarians have relied on this resource to support research projects, homework help, lesson plan development and more.

Better Search.

In an effort to best support *Scholastic GO!* users and the features they most utilize, *Scholastic GO!* has been completely reimagined and re-engineered to have an increased focus on search and superior search return functionality. These upgrades are designed to minimize the time both teachers and students spend searching, allowing more time for teaching and learning.

Better Returns.

Our new search return functionality delivers all relevant content—in every type of media and text type—in one clean, easy-to-navigate layout. Images, articles, videos, factboxes, sidebars, maps, and websites are returned at once—and can be filtered by reading level!

58% of teachers report spending 2-5 hours per week just doing searches for digital lesson plans.

75% of students have no idea how to locate the articles and resources they need for their research.

60% of students don't verify the accuracy or reliability of the information they find.

Learn.

115,000 expertly written articles covering nearly every core curriculum subject are sortable by Lexile level

Hundreds of videos offer visual learners a chance to build their background knowledge and familiarize themselves with vocabulary they will encounter in the articles

Career sidebars with quick fact guides on hundreds of professions

Factboxes, sidebars, interactive maps further support research and content area knowledge

80,000 curated and editorially-vetted websites support further learning through additional credible sources

Additional features include:

Curriculum Correlations

Lesson plans and educator resources

Photographs

Tables and charts

★ Weekly rotating home screen image with photo caption
