A Digital Reading Experience to Support Literacy Skills

What Storia Offers

Balanced library of recognizable literary and nonfiction titles

Key Learning Benefit

Read and comprehend engaging literature and informational texts of different text types

Storia Close Reads articles and passages

Provides opportunities for text marking and finding textual evidence related to story, structure, and point of view

Age-Appropriate Dictionary

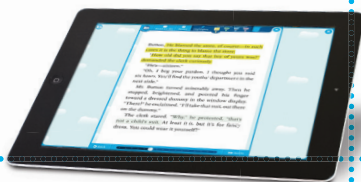

Acquire grade-appropriate academic and domain-specific vocabulary

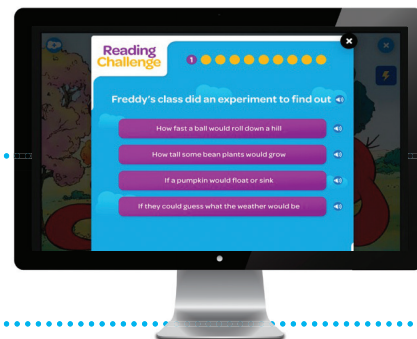

Reading Challenge comprehension quizzes

Test students' ability to read for meaning

Highlighting and note-taking tools

Help students focus their ideas

Digital Teaching Cards for instructional texts

Helps improve critical thinking skills and build content knowledge

Pronunciation tools and Natural-voiced Read-to-Me audio in younger titles

Improves pronunciation skills and encourages younger students to listen for meaning
