

Frankie's Facts

An **e** at the end of a word is silent. It usually makes the vowel sound before it long. The **a** in **rake** is a **long a**.

Can you crack the secret code? The pictures give you clues. Use the code to figure out which long vowels belong in each sentence. Then write the correct one on the line.

The **n** **o**me of the **g** **o**me is "Sp **o**ce R **o**ce."

F **o**ve **m** **o**ce go for a **b** **o**ke **r** **o**de.

Floyd uses his **n** **o**se to find the **b** **o**ne in the **h** **o**le.

The **c** **o**te **m** **o**le has **h** **o**ge ears.

The **g** **o** **o**n **s** **h** **o**p has red **f** **o**t.
