

Frankie's Facts

Two consonants can work together. They **blend** their sounds. Say this word: s-n-ake. Did you hear the blend of **s** and **n**?

Toy Island has a great playground! While we play, say the name of each picture. Then write the blends or sounds that you hear at the beginning of each word. Look at the tree leaves if you need clues.

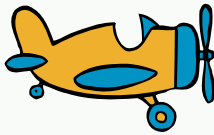

frog

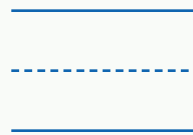

train

plane

drum

swing

What blends do our names start with?
