A phonogram, or **word family**, is a group of letters that stand for a sound. Cat, rat, and hat belong to the **-at** word family.

Now let's go to the bone vault! Edison and I keep bones here for our dog pals who come to visit. Put the bones in the right vaults. A word family is on each door. Write all the words that belong in that vault.

Can you think of one more word for each word family?
