

Apples and Bananas

Dear Family,

Talk. Read. Sing.® It changes everything: vocabulary, learning, self-confidence, and futures. See below for a fun family activity and start talking, reading, and singing with your child today!

As a family, visit scholastic.com/first5CA and sing along to “Apples and Bananas” performed by José-Luis Orozco. Talk with your kids about fruits and vegetables—name a fruit or vegetable that they have eaten today or a fruit or vegetable they might love to eat tomorrow. Then complete the activity below.

» Scan this code to open the music on your smartphone or tablet.

Directions: Draw a line and match the fruit or vegetable with an item that rhymes.
