

Talk. Read. Sing.[®] Tracking Chart!

Talk. Read. Sing.[®] These are the three simplest things you can do to help promote healthy brain development in your child. Keep track of how many times you and your child talk, read, and sing every day by using the fun chart below. Place a check mark or star sticker in the

appropriate box every time you and your child talk, read, or sing. You can laminate this sheet or cover it in contact paper to reuse week after week! For additional copies of the **Talk. Read. Sing.[®]** Tracking Chart, visit **scholastic.com/first5ca** for a downloadable version.
