SPOOKY ENCOUNTERS: A WRITING EXERCISE

In Ghost Buddy, Billy has to deal with a pretty creepy bully, but having a friend he can count on makes all the difference. Bullies come in all shapes and sizes, and bullying can come in a variety of ways too: some bullies hit, some tease, and some just exclude people from their group. Bullying doesn't always happen in person either; online comments can be just as hurtful.

Have you ever been bullied? If so, how did you handle it? If not, think of a friend who was, and write about how they dealt with it, or how you would have dealt with the situation if it happened to you.
