

# GUIDED READING PROGRAM

## Text Types

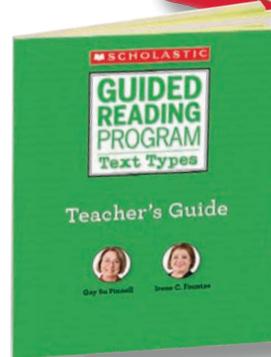

## Show students everything reading can be.

Building on Scholastic's successful Guided Reading Programs, **Guided Reading Text Types** is where genre meets format in a variety of authentic texts, and where students can discover their favorite literature.

**Guided Reading Text Types** is designed to show students that reading comes in many forms — from picture books to graphic novels to plays to biographies and journals and photo essays — that can help shape the type of readers they'll become and to let them discover their favorite texts. Best of all, the program's built-in everyday literacy feature connects classroom reading to a variety of real-world Text Types.

### Guided Reading Text Types paves the way to reading success and:

- Encourages students to discover different genres and formats
- Differentiates instruction for all students
- Includes NAEP-aligned procedural, expository and persuasive writings
- Links classroom content to real-world, functional texts

**\* Each grade-level set includes**

- 260 trade books (10 titles per level)
- 80% fiction  
20% nonfiction
- Teaching cards for every title
- Teacher's guide
- Storage bins
