Choosing the Right Topic

Which Challenge are you planning for? Circle one:

Land/Water

Air/Climate

The first step on the road to success is choosing a topic. You need to create an Action Plan that's well-suited to your community, so use this worksheet to help your team think about the issues that affect your area.

Write the name of your town or city.

What are the most common ecosystems in your area?
(e.g., pond, beach, forest, wetland, park)

What are the top three environmental issues that affect these ecosystems?
(e.g., loss of biodiversity, pollution, erosion)

What is your topic?
(Choose the topic that most interests your team)
