PART 1: Summarize a State Plan

Find the list of state plans for fighting cancer on the Web site Cancer Control Planet (http://cancercontrolplanet.cancer.gov/state_plans.jsp). Choose a state’s plan and read or skim the document quickly. Write a one-paragraph summary describing the goals of the state plan.

PART 2: Create Your Plan

Imagine that you are a community organizer who wants to help the community in the fight against cancer. First you need a plan! Use the prompts below to lay out your plan. Describe the who, what, when, where, and why of your plan.

Who: (Who will benefit? Who will take part?)

What: (What will you do?)

When: (When will this take place?)

Where: (Where will this take place?)

Why: (Why is this project necessary?)
