

# B IS FOR *BOOKS*

Read the poem aloud. Help your child circle all of the uppercase Bs and underline all of the lowercase bs.

I love new books,  
I love old

ⓑooks mean more  
than silver and gold  
I love the pictures,  
letters, and words

The butterflies, berries, bells, and birds.  
I learn about bananas, balls, and bats  
And only rarely dogs  
and cats.

The one I read the most, you see  
Is about my favorite  
letter B.  
I love to read books  
every day  
I'll try that blue one out today!
