

# ROULETTE

Welcome, game designers! Use the game rules you created in Lesson 2 to finish designing your game. Be creative, have a clear goal in mind, and enjoy!

WHAT MATERIALS DOES YOUR GAME USE?

SKETCH YOUR PLAY AREA OR GAME BOARD BELOW.

NOW IT'S TIME TO CREATE A DIGITAL VERSION OF YOUR GAME! Go to [www.activategames.org/getting-started](http://www.activategames.org/getting-started) and sign in. Then follow the directions to create an original video game.

Submit your video game designs to the **Scholastic Art & Writing Awards** at [www.artandwriting.org](http://www.artandwriting.org) for the chance to win scholarships and awards!
