3. Reread the paragraph and mark it up by adding sound-words.
4. When you're finished, share your work with a partner and ask him or her to read the paragraph while you read the sound-words at the right time. Keep practicing until your teacher says it's time to share with the class!

**Scene:** MEGAMIND'S HIDEOUT

Megamind and Minion are riding the elevator to the top floor.

They are carrying Roxanne, whose head is under a hood. They

are out of breath from laughing as they get to the top floor.

Roxanne's muffled voice comes out from under the hood.

**MEGAMIND:** She's awake! Quick! To work!

Minion ties Roxanne to a chair. Megamind hops into his

chair, smooths his eyebrows and wheels himself into

position. Brainbot flies up and lands in Megamind's lap.

Minion yanks off Roxanne's hood.
